BODY BEATS

DID YOU KNOW THAT YOU'VE BEEN WALKING AROUND IN A FANTASTIC AND WONDERFUL MUSICAL INSTRUMENT ALL THIS TIME? LET US SHOW YOU HOW TO USE THIS DISCOVERY TO ITS FULL POTENTIAL.

This is an ideal way of quickly energising a group and boosting team morale at any conference or event, especially at times where you think group energy may need a quick lift. As well as being immensely enjoyable, these workshops help to promote vital musical skills such as playing in rhythm, timing, dynamics and working independently as well as part of a group.

HOW IT WORKS

Using the body as percussion, our facilitator will have any size of group warmed up, energised and having fun using their bodies as an instrument. Within 5 minutes you'll be clapping, stamping and using vocal sounds to create instantaneous music.
